NJDEP would like to discuss their comments submitted to the CSTAG which are attached here. In particular, the following items:

- Status of Interim Proposal pending CSTAG response
- EPA comments to CSTAG
- EPA's response (preliminary or final) to NJDEP's technical comments and EPA's potential path to address NJDEP's technical comments before approval of the current proposed IRM.
Of greatest interest are General Comment #4 and NJDEP Technical Comments # 1-7; may also include NJDEP IR concerns relative to USEPA Contaminated Sediment Guidance, recommendations 5 – 8.
- Project status; i.e., current RI/FS based on preliminary review (Sections 1 – 5) of 2nd revised draft RI

Jay, please forward to whomever from NJDEP would like to attend and please let me know the final number.
